The Good Water loop of the San Gabriel River Trail at Lake Georgetown is a 28 mile trail that passes through dense Oak/Sho Juniper forest, bottomland hardwoods and prairie grasslands. The trail extends from Booy's Road Park operated by the City of Georgetown to Overlook Park and completely circles the lake. Careful planning is encouraged before going for a hike.

Trail Rules

1. **Horses, off road vehicles and motorcycles are prohibited**
Bicycles are allowed on the north side and south side
2. **Dogs must remain on a leash 6 feet or less in length**
3. All waste must be properly removed from the trail
4. Camp only at Cedar Hollow, Sawyer, Walnut Springs and Tejas camps
5. Tree cutting is prohibited. Use only wood found on the ground.
6. Please pack out trash. Dumpsters are located at each trailhead
7. **The taking of plants, animals, rocks, fossils, artifacts and other items is prohibited and punishable under Federal laws and regulations** by fines up to \$250,000. Use of metal detectors permitted only in designated areas
8. Endangered Golden-Cheeked Warblers and Black Capped Vireos nest along the trail from February to August. Hunting is in progress from September through January. Stay on the trail and keep noise to a minimum during these times.
9. **At Crockett Garden Knight Spring and Falls is an environmentally sensitive area.** Do not bathe or wade in the spring stream or slide down the falls.
10. Check in and out with the gate attendants at Cedar Breaks Park, Jim Hogg Park, Russell Park and Tejas Park. Share your plans and arrange transportation in advance.
